

# Arun Helps Amma

Arun's amma is sick.  
She has fever and is  
resting in bed.

Arun wants amma to get better.

Arun goes into the kitchen.

Amma always says a clean home is a happy home.

He wipes the table. He tidies up his cupboard and bookshelf.

Arun is hungry after all the work. He goes into the kitchen to make himself a jam sandwich. Maybe he should make one for amma too.

Amma walks into the kitchen. She hugs Arun for being a wonderful boy. Arun is delighted to see amma feeling much better.
