**IV. Answer the following.**

**(2X10=20)**

**1. What is cattle farming?**

---

---

---

---

---

---

**2. Define mining?**

---

---

---

---

---

---

**3. Write the two main features of the planet that is nearest to the sun?**

---

---

---

---

---

---

**4. In what way is Saturn a unique planet?**

---

---

---

---

---

**5. Define Rotation and Revolution?**

---

---

---

---

---

---

---

**6. Define Axis and Orbit?**

---

---

---

---

---

---

---
