GRADE- 1**

REVISION WORKSHEET

Name:

Date:

I. Solve the following

	tens	ones
	8	2
+		
	1	7

	tens	ones
	7	8
-		
	5	2

	tens	ones
	6	9
-		
	3	4

II. Solve and colour

24- blue

86 - red

54- yellow

18- red

$\begin{array}{r} 8 \quad 4 \\ - \quad 6 \quad 2 \\ \hline \end{array}$	$\begin{array}{r} 9 \quad 8 \\ - \quad 1 \quad 2 \\ \hline \end{array}$
$\begin{array}{r} 3 \quad 2 \\ + \quad 2 \quad 2 \\ \hline \end{array}$	$\begin{array}{r} 1 \quad 3 \\ + \quad 0 \quad 5 \\ \hline \end{array}$

III. Solve the following

1. There are 32 apples in one basket and 36 apples in another basket. How many apples are there in both the baskets together?

Number of apples in one basket = _____

Number of apples in another basket = _____

Total number of apples in both the baskets = _____

2. A tailor bought 75 buttons. He stitched 60 of them on shirts. How many buttons are left with him now?

Number of buttons the tailor bought = _____

Number of buttons he stitched = _____

Number of buttons left with him now = _____
