I. Read the passage and answer the following.

The Clever Fox and the Lost Chick

Once upon a time, in a bright green forest, there lived a clever fox named Felix. Felix was known for his shiny red fur and quick thinking. One sunny morning, Felix was strolling through the forest when he heard a tiny chirp. It was a little chick named Clara, who had wandered away from her mother, Henny.

Clara was scared and alone, hiding under a big leaf. Felix stopped and said, “Don’t be afraid, little one. I’ll help you find your mom.” Clara peeked out and saw Felix’s kind eyes. She trusted him and hopped out from, under the leaf.

Felix and Clara walked through the forest, looking for Henny. They passed tall trees, a bubbling brook, and a field of wildflowers. Felix used his sharp nose to sniff for Henny’s scent. Soon, they heard a loud cluck from behind a bush. It was Henny, searching for Clara!

Henny was so happy to see her chick. She thanked Felix with a big hug. Felix smiled and said, “I’m just glad Clara is safe.” The forest animals cheered for Felix’s kindness and cleverness. From that day on, Felix, Clara, and Henny became best friends.
