

MY BODY:

1. What do we use to see?
2. How many fingers do you have?
3. Show me your nose.
4. What do you do with your mouth?
5. Where are your ears?
6. What do you use to walk?
7. Touch your head!
8. What do you use to smell?
9. Can you show me your hands?
10. How many eyes do you have?
