

SNS COLLEGE OF PHARMACY AND HEALTH SCIENCES

SNS COLLEGE OF PHARMACY AND HEALTH SCIENCES
PHARMACEUTICS-I (BP103T)

UNIT III

TOPIC: Monophasic & Biphasic Liquid Dosage Forms

2 MARKS

S.No	Questions	Mapping from TNMGRMU / GPAT / DI / Interview	Bloom's Taxonomy
1	Define monophasic liquid dosage forms.	MGR Univ PYQ; Viva	Remembering
2	Define gargles.	GPAT; Pharmacist Exam	Remembering
3	What are mouthwashes?	MGR Univ PYQ; Interview	Remembering
4	Define throat paints.	Pharmacist Exam; Viva	Remembering
5	Define ear drops.	MGR Univ PYQ	Remembering
6	What are nasal drops?	GPAT; Viva	Remembering
7	Define enemas.	MGR Univ PYQ	Remembering
8	Define syrups.	GPAT; Pharmacist Exam	Remembering
9	What is an elixir?	MGR Univ PYQ; Viva	Remembering
10	Define liniments.	GPAT; Interview	Remembering
11	What are lotions?	MGR Univ PYQ	Remembering
12	Define suspension.	GPAT; MGR Univ PYQ	Remembering
13	Mention two advantages of suspensions.	GPAT; Viva	Understanding
14	Mention two disadvantages of suspensions.	MGR Univ PYQ	Understanding
15	Define flocculated suspension.	GPAT; Interview	Remembering
16	Define deflocculated suspension.	MGR Univ PYQ	Remembering
17	What is sedimentation?	GPAT; Viva	Remembering
18	Define emulsion.	MGR Univ PYQ; GPAT	Remembering
19	Classify emulsions.	GPAT; Pharmacist Exam	Understanding
20	Name two emulsifying agents.	MGR Univ PYQ; Viva	Remembering

5 MARKS

S.No	Questions	Mapping from TNMGRMU / GPAT / DI / Interview	Bloom's Taxonomy
1	Explain the preparation and uses of gargles and mouthwashes.	MGR Univ PYQ; GPAT	Understanding
2	Write a note on throat paints, ear drops and nasal drops.	MGR Univ PYQ; Viva	Understanding
3	Discuss syrups and elixirs with their formulation aspects.	GPAT; Interview	Understanding
4	Explain liniments and lotions with	MGR Univ PYQ;	Understanding

SNS COLLEGE OF PHARMACY AND HEALTH SCIENCES

	examples.	Pharmacist Exam	
5	Define suspensions and classify them with examples.	MGR Univ PYQ; GPAT	Understanding
6	Explain flocculated and deflocculated suspensions.	MGR Univ PYQ; Viva	Analyzing
7	Write short notes on stability problems of suspensions and methods to overcome them.	GPAT; Interview	Analyzing
8	Classify emulsions and explain emulsifying agents.	MGR Univ PYQ; GPAT	Understanding
9	Describe tests used for identification of type of emulsion.	MGR Univ PYQ; Viva	Applying

10 MARKS

S.No	Questions	Mapping from TNMGRMU / GPAT / DI / Interview	Bloom's Taxonomy
1	Discuss monophasic liquid dosage forms with definitions, preparations and uses.	MGR Univ PYQ; GPAT	Analyzing
2	Define suspensions. Explain their classification, preparation, stability problems and methods to overcome them.	MGR Univ PYQ; GPAT	Evaluating
3	Explain flocculated and deflocculated suspensions with neat diagrams. Add a note on stability problems.	GPAT; Viva	Analyzing
4	Define emulsions. Explain classification, emulsifying agents, tests for identification, methods of preparation and stability problems.	MGR Univ PYQ; GPAT	Evaluating
5	Write a detailed note on stability problems of emulsions and methods to overcome them.	MGR Univ PYQ; Interview	Creating
