## ASSESSMENT

### How to address violations of the Drug and Cosmetics Act?

Ayurvedic Medicines

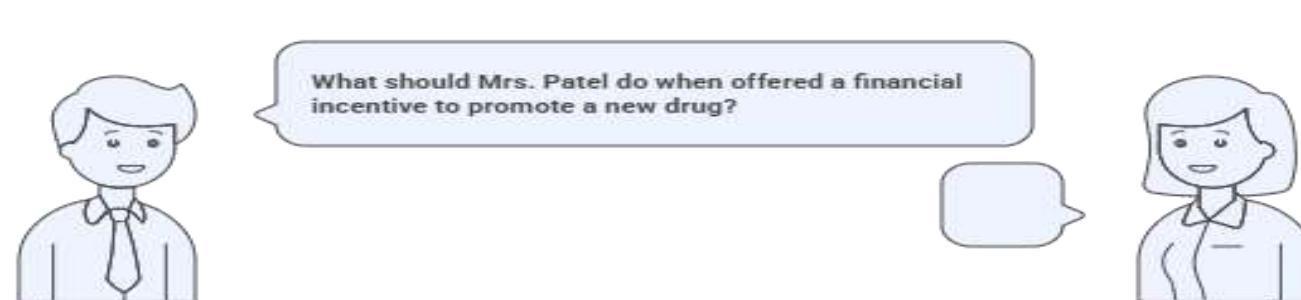

Schedule H Drugs

Made with  Napkin

2. Mrs. Patel, a senior pharmacist with 20 years of experience, is approached by a pharmaceutical company representative who offers her a significant financial incentive to promote their new anti-diabetic drug to doctors in her network. The representative suggests that she can influence prescribing patterns by highlighting the drug's benefits and downplaying potential side effects. Mrs. Patel is also aware that some of her colleagues are engaging in similar practices

### **Pharmaceutical Company Incentive**
