

## **WELFARE OF SCs/STs/OBCs/MINORITIES**

1. The Directive Principles of the State Policy provide to promote with special care, the educational and economic interests of the target groups. To achieve the objectives of "Equality" with many facets, Govt. of India as well as State Govt. has been striving for socio-economic development of the people of these communities through administrative orders and plan process. No doubt, there has been perceptible changes in the social and economic condition of the target group but unfortunately the measures taken so far have not been able to eradicate illiteracy, poverty and above all the social stigma attached, because the approach so far has been in the shape of few schemes of ameliorative nature which could not make sufficient transformational impact and, therefore, much still remains to be done.

2. Up to the year 1997 this department was required to look after only the Welfare of SC/ST population of Delhi but with the reorganization of OBC as a separate group of population, welfare activities relating to OBC, which forms quite big chunk of the population was also assigned to this department. In the starting of 21<sup>st</sup> century welfare activities relating to Minorities was also assigned to this department.

### **3. POPULATION SCENARIO**

- **Schedule Caste Population:** As per 2001 census, total population of NCT of Delhi was 138.50 lakhs, out of which the SC population is 23.43 lakhs which comes to 16.92%. Due to fast process of urbanization the population in the urban areas has been increasing rapidly as 93.18% of the total population of the SCs reside in urban areas and only 6.28 % is in rural areas. Out of the total urban population of 129.16 lakhs the SC population is 21.55 lakhs i.e. 16.70% and of the total rural population of 9.54 lakhs, the SC rural population is 1.88 lakh i.e. 19.89 %. This shows that the SC population is predominantly residing in urban area.
- **Scheduled Tribes population :-** In Delhi no scheduled tribes has been notified since none of the ST originally belong to Delhi but a small population migrated for service and other purposes from the other states. As such the RGI is not collecting any data in respect of STs, however, it is expected that 2% of the total population of Delhi may be STs.
- **Other Backward Classes Population:-** The RGI is not collecting data in respect of OBC in the census. As such population of OBCs as per census record is not available. However, Govt. of NCT of Delhi constituted a state level commission for other Backward Classes in 1992 to identify the OBCs in Delhi. The Commission in its report has opined that about 48% of the Delhi population belongs to OBC.

- **Minorities Population:-** As per 2001 census the population of minorities was 24.92 lakh. The details are given below: -

<b>Religion</b>	<b>Population 2001</b>

#### 9.5 HOSTEL FOR SC/ST/OBC/Min. BOYS AT DILSHAD GARDEN

##### Plan Outlay

XII FYP : Rs.460.00 Lakh  
Annual Plan 2012-13 : Rs.88.00 Lakh

##### **OBJECTIVES:**

It has been observed that in most of the cases dwelling units of the Scheduled Caste people in Delhi are very small and do not have adequate space to provide congenial study environment for the students. This retards their studies. With a view to provide better study environment, scheme of Hostel for SC Boys was introduced so

that the SC/ST boys, who wish to pursue studies but do not have congenial study environment at home, could get admission in the hostel, being run by this Dte. at Dilshad Garden complex Its intake capacity is to accommodate 100 students.

**Conditions of eligibility for admission to the hostel:**

(i) Hostel is available for the poor SC/ST/OBC/Min. students studying in class-XII and above in Government or recognized school or colleges.

(ii) The income limit of the parents of the students, who seek admission in the hostel for SC/ST/OBC/Min. boys as well as girls should not be more than Rs. 2,00,000/- per annum.

(iii) The student who has been given regular admission in the school or college in Delhi, is allowed to avail the facility of the hostel by producing a Scheduled Caste/Tribe Certificate from the competent authority of that particular State from where he has come for education in Delhi.

(iv) The Working Group found that most of the higher education institutions are located in the North or South of Delhi whereas the hostel is situated in the extreme eastern part of Delhi. It is too cumbersome to perform journey from Dilshad Garden to colleges located in the North or in the South as it not only involves heavy expenditure in transport but entails lot of time also which the students can devote to their studies but are forced to spend in journey. For improving response under this scheme, it is proposed to utilise the service of the voluntary organisations involved in the Welfare of SC/ST/OBC/Min. so that the number of SC/ST/OBC/Min. boys seeking admission in the hostel could be raised to at least 100 per year.

(v) All the facilities in the hostel are provided free of cost.

**Plan Outlay**

<b>XII FYP</b>	:	Rs.80.00 Lakh
<b>Annual Plan 2012-13</b>	:	Rs.16.00 Lakh

## Objectives:

The 1991 Census had revealed that the overall literacy rate in Delhi has been increasing constantly and the literacy rate amongst the Scheduled Castes also has increased over the last decade but the literacy rate amongst the females is still on a very low side because congenial environment for studies is not generally available in their small houses and as compared to boys, the girls have to perform daily home chores also and thus much of their time goes therein with the result their studies are adversely affected. This state of affairs needs to be corrected. Therefore, objective of the scheme is to provide congenial study environment to the SC/ST/OBC/Min. girls by providing them hostel facilities, where they could devote their full time and energy in pursuit of education. The intake capacity of this hostel is 70 girl students. The income limits as prescribed for SC/ST/OBC/Min. boys hostel is applicable in case of girls hostel also.

## ACHIEVEMENTS

There was lack of response and number of inmates has been below 30 2001-02. To augment in the the intake the services of the voluntary organisations and others were availed so as to prompt the parents of the SC/ST girls to send their girl wards to this hostel. This has resulted in positive. Efforts are also being made to accommodate OBC/Min. girls students.
