

1.

Your Maths Teacher gives you 4 nos.

2, 3, 4 & 5

**He tells you that you can form one
mathematically correct equation using
these numbers.**

**You are allowed to use only two
mathematical symbols: + and =.**

Will you be able to do it?

**(*Hint: You can't repeat the symbols
or numbers*)**

Answer:

$$2 + 3 = 5$$
